

Welcome AMUG Sponsors and Exhibitors!

We hope that you have found the Red Oak Service Center portal, the various communications, and Red Oak's assistance beneficial in organizing your participation in the AMUGexpo. Our aim is to ensure that this event is as seamless as possible for you to plan and execute successfully. Your feedback is important to us, so we will be seeking your comments both on-site and through a survey after the conference concludes.

Members of the AMUG Expo Committee will be walking through the AMUGexpo area periodically to assist you. We will be wearing neon orange vests that say "EXPO" on the back. If you have any questions, please find one of the committee members. If you cannot find someone wearing a vest, feel free to visit the Red Oak office, in the Mobley Room on the Lower Level. They are there to assist you.

Expo Staff and Attendees of sponsors and exhibitors may access the show floor one hour before and one hour after the posted AMUGexpo hours, with the exception of Sunday, when you will only be allowed on the show floor 30 minutes prior to the AMUGexpo opening (allowed in at 3:30pm). Use this time to set up, prep your booth, clean up, brief your team, etc.

After booth setup, please use the empty crate labels for any containers that need to be stored by AMUG and returned to your booth for move-out.

After the AMUGexpo closes on March 12, move-out will take place. Empty crates and boxes will start to be returned by Red Oak following the close of the AMUGexpo.
